

# Cut up to 50% off your current interest repayments.

Why pay high interest if you can avoid it.

Consolidate all your debts at one source with finance that's more affordable than banks or building societies.

In fact, ASL's current interest rate is close to half of what you would expect to pay on most leading credit cards. ASL security based lending is very affordable, quick and simple to obtain.

Existing ASL customers can draw on the unused equity in their securities to obtain additional finance at short notice.

New customers who fulfill the lending criteria, can obtain finance within a 24 hour timeframe.

Ring the finance team at ASL on 1300 275 275 for further information or email: [finance@asltd.com.au](mailto:finance@asltd.com.au)
